- **Read the following, then answer the questions:**

Last night, Eman had a bad dream. She dreamed that she had won a prize of fifty thousand pounds. She was very happy. She went shopping in one of the biggest shops. She bought some nice presents for her family; a good camera to take photos for her dad, mum, sister and brother. She bought a nice tie, a medal and a shirt for her father; a golden ring and nice clothes for her mother. She bought a bike for her brother and a computer for her sister. She gave 300 pounds to my poor neighbors. She got up in the morning, she was very sad to find nothing. It was only a dream.

- **Read the following, then answer the questions:**

A famous scientist lived with his wife, his two sons and his daughter. He often forgot about his food when he was studying all day. His wife used to put some food in a place where he was sure to see it. One night, after he had been working very hard, he began to feel hungry. He looked round the room. He saw eggs in a small basket. At once, he decided to cook one of them. The scientist took the egg in one hand and his watch in the other. He went to the kitchen to cook the egg. As he was thinking of his work, not in his food, he put his watch in the pan thinking it was the egg. To his surprise, he found the egg in his hand.

a - Answer these questions:

1. **Why did the scientist forget about his food?**
2. **When did the scientist begin to feel hungry?**
